

The UniKorea Foundation's Woocho Global Intern-scholarship Program

The UniKorea Foundation is opening applications for the "Woocho Intern-scholarship Program" which aims to cultivate next-generation leaders that are highly interested in the issues surrounding the Korean peninsula, especially on the preparations for a unified Korea. This program contains attributes of both an internship and a scholarship program and aims to train participants to acquire knowledge, and help them develop perspective and ideas. The participants will have opportunities to learn and work throughout this program.
